*2008 Annual Report
Sandown, New Hampshire*

Fiscal Year Ending December 31, 2008

Dedication 2008

Fire Chief Irving Bassett

Whether you've been in Sandown for years or just a newcomer to town, you most likely have met former Fire Chief Irving Bassett. He is a most familiar face about town and has been 'on the scene' and 'behind the scenes' for quite some time.

Chief Bassett has volunteered his service to Sandown as a firefighter for 50 years and as Chief for the last 24. He has seen many changes, growth and expansion within the department over the years. For example, during the 1970's, EMT's were added to the department. In 2002, Chief Bassett along with a group of co-workers, residents and local contractors performed an act of volunteerism that saved the taxpayers \$11,000 and completed the Angle Pond Fire Station refurbishment for just under \$25,000. In 2004, the Fire Chief position went from part-time to full-time and under Chief Bassett's direction, the department has evolved to today's high standard with the introduction of state-of-the-art vehicles, equipment and firefighter gear.

It's that kind of leadership, responsibility and dedication to the townspeople that has earned Chief Bassett the respect of most everyone he meets. Chief Bassett semi-retired in May 2008 and now holds the position of Deputy Fire Chief.

These days, Deputy Fire Chief Bassett can be seen driving around town, still in his bright red pickup, answering calls and lending a hand, but most often he has a new addition by his side... his most trusted and beloved dog, Skyla.

We, the people of Sandown, extend our thanks, our appreciation and our best wishes to you, Chief Bassett for all that you do and for the exemplary performance and high standard you set for all those around you.

Since the war on terror began the Sandown LIONS Club, with help from other community organizations and individuals, have been supporting our young Sandown heroes who serve in the military. With periodic care packages, phone cards, notes & letters we attempt to bring a small taste of Sandown to wherever they might be. If you are inclined to assist this effort in any way (tax deductible checks can be made out to Sandown LIONS Club PO Box 46 Sandown, NH 03873-write SUPPORT THE TROOPS on the subject line), letters, or package content, please contact me or any other Sandown LION.

Please review the list below and contact me (at 603-974-0547) if we have inadvertently omitted someone from this list you are aware of. Some on the list have in fact left active duty and are now on inactive or reserve status-they are mentioned and honored here because they did spend a portion of 2008 on active duty. There are others who appear to be making their military service a career.*** Still others are new to this growing list having entered military service during 2008. Sandown can be proud of its contingent of men & women in service to country- and thankful.

Best Regards,

Fred Soule

INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen
Sandown, New Hampshire

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Sandown, New Hampshire, as of and for the year ended December 31, 2007, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Sandown's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Sandown, New Hampshire, as of December 31, 2007, and the respective changes in financial position, thereof and the respective budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis, appearing on the following pages, is not a required part of the basic financial statements but is supplementary information required by the *Governmental Accounting Standards Board*. We have applied

certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Melanson, Heath + Company P.C.

George Kaulbach is Sandown's Citizen of Year

MATT RITTENHOUSE
Tri-Town Times

SANDOWN – This year's Citizen of the Year is George Kaulbach, nominated for the honor by his fellow Lions.

Kaulbach received the honor at Saturday's Old Home Days celebration from Selectman Paula Bonasoro and former citizen of the year Paula Martin.

Lions Club members nominated Kaulbach in recognition of the work he's done with the group. He has been a Lion for the past 10 years, and was president of the Sandown club for the past three. He just recently stepped down from that post.

The Lions credited Kaulbach with both expanding the group's membership and increasing its ability to serve the town.

His nomination letter featured a list of the many things he has done to make life better for his fellow citizens. It cited his work with the Lions Club's annual eye exams, the assistance he gave to a family that lost

their home to a fire, his work with local Cub Scouts, and many other instances when he has gone out of his way to help others, such as bringing a meal to seniors who were homebound and couldn't attend the senior luncheon.

The Lions further credited Kaulbach with humility, thoughtful leadership, and the day-to-day work he does to make their events successful.

After the award was given, Kaulbach showed just that humility by stating, "It's really the Lions Club that deserves this. I'm just a member."

On the podium, with the town residents gathered around, he simply thanked everyone, saying that he was very honored.

Martin spoke before the nomination, saying that it was volunteers in town who make Sandown the place it is, and that each annual nomination is also a way to thank all of the past volunteers who have also received citizen of the year.

TOWN OF SANDOWN STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Sandown qualified to vote in Town affairs you are, hereby, notified of the following Town meeting schedule.

First Session of Annual Meeting (Deliberative)

You are hereby notified to meet at Sandown Town Hall, 320 Main Street, Sandown, New Hampshire, on Saturday, January 31, 2009 at 8:00 am. This session shall consist of explanation, discussion and debate of warrant articles number 2 through 31. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended.

Second Session of Annual Meeting (Voting)

Voting on warrant articles number 1 through 31 and the zoning amendments will be conducted by official ballot to be held on Tuesday, March 10, 2009 at Sandown Town Hall, 320 Main Street Sandown, New Hampshire. Polls will be open from 8:00 am to 8:00 pm.

Warrant Article 1. To choose all necessary Town Officers for the ensuing year (to be voted by ballot March 10, 2009).

Special Warrant Article 2. Shall the Town vote to raise and appropriate the sum of Eight Hundred Eighteen Thousand Five Hundred Seventy Eight Dollars (\$818,578) for the construction and original equipping of a new police station and to further authorize the issuance of not more than Eight Hundred Eighteen Thousand Five Hundred Seventy Eight Dollars (\$818,578) of bonds and/or notes in accordance with the provisions of the Municipal Finance Act (NH RSA Chapter 33), and to authorize the Selectmen to issue and negotiate, such bonds and/or notes and to determine the rates of interest thereon, and to authorize the Selectmen to accept any funds from the State of New Hampshire, the Federal Government and private sources, as they may become available, and pass any vote relating thereto. (3/5 ballot vote required) Said building is to be located at 359 Main Street (Map 10 Lots 28- 2 & 28-3 which are currently Town-owned parcels).
(Recommended by the Board of Selectmen) (Recommended by Budget Committee)

Warrant Article 3. Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$3,256,446.36. Should this article be defeated, the default budget shall be \$3,182,017.14, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. This operating budget warrant article does not include appropriations contained in ANY other warrant articles.

Special Warrant Article 4. Shall the Town vote to approve the cost items included in the collective bargaining agreement reached between the Town of Sandown Board of Selectmen and the Union representing Police and Animal Control Officers, the Teamster's Local 633 Union which calls for the following increases in salaries and benefits at the current staffing level:

Contract Year	Estimated Increase
4/1/09 – 3/31/2010	\$ 16,150.83
4/1/10 – 3/31/2011	\$ 16,568.47
4/1/11 – 3/31/2012	\$ 16,876.40

and further to raise and appropriate the sum of Thirteen Thousand Six Hundred Three Dollars and Eleven Cents (\$13,603.11) for the current fiscal year beginning January 1, 2009 and ending December 31, 2009, such sum representing the additional cost attributable to the increase in salaries and benefits over those of the appropriation at current staffing levels paid in the prior fiscal year.

(Recommended by the Board of Selectmen) (Recommended by Budget Committee)

Warrant Article 5. Shall the Town of Sandown, if Article 4 is defeated, authorize the governing body to call one special meeting, at its option, to address Article 4 cost items only.

Special Warrant Article 6. Shall the Town vote to create a new part-time position of Welfare Officer pursuant to RSA 41:2 and RSA 41:46 and to raise and appropriate the sum of Three Thousand Eight Hundred Eighty Eight Dollars (\$3,888) to be added to the welfare account for that purpose. The 2009 cost represents partial funding beginning April 1, 2009 and for wages consisting of Twelve Dollars (\$12) per hour for 9 hours per week for 36 weeks. Costs for future years will be based on a 12 month position and will be included in future operating budgets.

(Recommended by the Board of Selectmen) (Recommended by the Budget Committee)

Special Warrant Article 7. Shall the Town vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to remove and replace the existing underground oil tank located on the Fire Department grounds.

(Recommended by the Board of Selectmen) (Not Recommended by Budget Committee)

Special Warrant Article 18. Shall the Town vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) for the purpose of continuing a mosquito surveillance and control program, and to authorize the Board of Selectmen to continue to contract with a firm licensed in NH to apply insecticides, and conduct a larviciding and adult mosquito spray program at such times and in such locations throughout the Town as needed to accomplish effective mosquito control.

(Recommended by the Board of Selectmen) (Recommended by Budget Committee)

Special Warrant Article 19. Shall the Town vote to raise and appropriate the sum of Nine Thousand Dollars (\$9,000) to purchase fireworks for the annual Old Home Day Celebration.

(Recommended by the Board of Selectmen) (Not Recommended by Budget Committee)

Warrant Article 20. Shall the Town vote to raise and appropriate and authorize the Selectmen to accept a Highway Block Grant in the sum of One Hundred Twenty Nine Thousand Seven Hundred Thirty Four Dollars (\$129,734) for the road improvement programs to be recommended by the Sandown Highway Department and approved by the Sandown Board of Selectmen, said sum to be supplied by the State of New Hampshire.

Warrant Article 21. Shall the Town vote to raise and appropriate up to Five Thousand Dollars (\$5,000) for the maintenance of the OHRVs and outfitting of officers with safety gear while patrolling the trails and further to authorize the withdrawal of that appropriation from the existing balance of the Police Department Safety and Enforcement Special Revenue Fund created for that purpose.

Warrant Article 22. Shall the Town vote to raise and appropriate the sum of Four Thousand Six Hundred Five Dollars (\$4,605) for the purpose of Speed Traffic Enforcement overtime patrols. This appropriation is contingent upon the Town receiving 100% Federal Funding through the State of New Hampshire Highway Safety Agency.

Warrant Article 23. Shall the Town vote to raise and appropriate the sum of One Thousand Three Hundred Fifty Dollars (\$1,350) for the purpose of purchasing a hand-held radar unit. This appropriation is contingent upon the Town receiving 50% Federal Funding through a Grant approved by the State of New Hampshire Highway Safety Agency. The Town's cost will be Six Hundred Seventy Five Dollars (\$675).

Warrant Article 24. Shall the Town vote to adopt the following ordinance:
Acceptance of Credit Cards. The Town Clerk-Tax Collector will be allowed to accept credit card payments pursuant to RSA 80:52-c for the electronic online collection of local taxes, charges generated by the sale of utility services or other fees. The Town will add to the amount due, in addition to any interest and penalties payable, a service charge for the acceptance of the card. The amount of the service charge shall be disclosed at the time of billing. The Board of Selectmen in coordination with the Town Clerk-Tax Collector may adopt rules and regulations regarding the collection procedures.

Warrant Article 25. Shall the Town vote to rescind its action to elect a Police Chief pursuant to RSA 41:47 and authorize the Selectmen to appoint the Police Chief under RSA 105:1, such authority to begin when the current term of the Police Chief expires in March 2010.

Petitioned Warrant Article 26. Shall we rescind the action taken under RSA 79-A:25 II pursuant to RSA 79-A:25 IV, causing 0% of the revenue from Land Use Change Tax collected pursuant to RSA 79-A to be added to the general fund reducing the amount raised through the collection of taxes from Sandown tax payers and be deposited in to the Town of Sandown Conservation Fund as previously authorized.

Warrant Article 27. Shall the Town vote to add the abutting Samoisette parcel identified as Tax Map 15 Lot 16 and Quaranta parcel identified as Map 15 Lot 17 and Map 15 Lot 17-1 to the existing Fremont Road Town Forest conservation easement with the Southeast Land Trust. These three lots are part of the Fremont Road Town Forest which includes the recent Minton purchase and will result in all of the Fremont Road Town Forest being protected.

Petitioned Warrant Article 28. Shall the town vote to increase the elderly exemption dollar amounts as follows:

**To a person 65 years of age up to 75 years is from \$70,000.00 to \$85,000.00
75 years of age up to 80 years of age from \$85,000.00 to \$100, 000.00
80 years or older \$100,000.00 to \$125,000.00**

In addition increase the income net limit dollar amounts in all three age groups as follows:

Single \$40,000.00 to \$50,000.00

Combine married \$55,000.00 to \$70,000.00

Petitioned Warrant Article 29. Shall the town vote to require that all votes by an advisory budget committee, a town budget committee, and the governing body, or, in towns without a budget committee all votes of the governing body relative to budget items or warrant articles shall be recorded votes and the numerical tally of any such vote shall be printed in the town warrant next to the affected warrant article per Title III, Chapter 40, Section 40:13, paragraph V-a.

Petitioned Warrant Article 30. Shall the town vote to raise and appropriate the sum of \$0 for contributions to the following organizations:

C.A.R.T. - \$0

Community Health of Greater Derry - \$0

Rockingham Community Action - \$0

Rockingham VNA and Hospice - \$0

Passage of this article will not nullify an affirmative vote of individual articles 13 through 16.

(Not Recommended by the Board of Selectmen) (Not Recommended by Budget Committee)

Petitioned Warrant Article 31. Shall the town vote to require town employees not covered under a union contract to pay zero percent (0%) of the total cost of the basic health insurance premium with the town paying the balance of one hundred percent (100%). This would cost an employee \$38.76 per month for single coverage (\$8.94 per week), \$86.00 per month (\$19.85 per week) for a couple, \$78.29 per month (\$18.07 per week) for a parent/child and \$117.82 per month (\$27.18 per week) for family coverage under the plan currently approved by the selectmen. The upgraded plan offered by the town will cost the employee the additional premium between the two plans plus the zero percent (0%) of the basic plan with no medical reimbursements to employees by the town. This employee contribution will take affect on June 1, 2009. (This is an advisory article only)

We, hereby certify that we gave notice to the inhabitants within named to meet at the time and place and for the purpose within mentioned by posting an attested copy of the written warrant at the place of meeting within named and a like attested copy at Sandown Town Hall and Post Office being a public place in said Town on January 26, 2009.

DEFAULT BUDGET OF THE TOWN

TOWN OF SANDOWN, NH

For the Ensuing Year January 1, 2009 to December 31, 2009

or Fiscal Year From _____ to _____

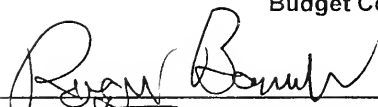

RSA 40:13, IX (b) "Default budget" as used in this subdivision means the amount of the same appropriations as contained in the operating budget authorized for the previous year, reduced and increased, as the case may be, by debt service, contracts, and other obligations previously incurred or mandated by law, and reduced by one-time expenditures contained in the operating budget. For the purposes of this paragraph, one-time expenditures shall be appropriations not likely to recur in the succeeding budget, as determined by the governing body, unless the provisions of RSA 40:14-b are adopted, of the local political subdivision.

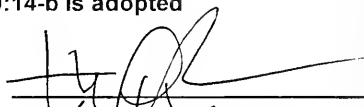

1. Use this form to list the default budget calculation in the appropriate columns.
2. Post this form or any amended version with proposed operating budget (MS-6 or MS-7) and the warrant.
3. Per RSA 40:13, XI, (a), the default budget shall be disclosed at the first budget hearing.

Board of Selectmen

2008 Yearly Review

Residents,

It was a busy year for Sandown. The memories begin with the 2008 deliberative session that went “overtime” and produced a final FY2008 budget as well as some important warrant articles that were placed before the voters in the March election. The warrant articles that were approved by the voters would set many of the agenda items and direction for the selectmen for the balance of the year and beyond.

Nelson Rheaume and Brian Chevalier returned to the board after the March election and then came the immediate resignation of a newly elected member of the board which resulted in the unanimous appointment of Ted Winglass for another one year term. The full board was back and committed to continue responsible governing by not only addressing the issues and challenges that would confront us on a daily basis, but also to continue to follow up on existing projects, propose new initiatives, and set realistic goals for the town. Below are listed just a few of the major accomplishments in 2008:

Minton Property Purchase for Conservation

The voters passed warrant article #2 and the town completed the acquisition of 138 acres of pristine property on Freemont Road to be held in permanent conservation for the town residents to enjoy for perpetuity. Our sincere thanks and appreciation go out to all of the members of the Sandown Conservation Commission for volunteering their time and energy to bring this purchase to fruition.

Roadway Improvement Plan

The voters passed warrant article #17 to establish a Road Improvement Capital Reserve fund. The DPW Director was tasked to create a strategic Roadway Improvement Plan to meet the goal of properly maintaining the town’s roadway infrastructure and to be funded through the Capital Reserve Fund. The plan was approved and the request for funding for the first phase of the plan will be on the 2009 ballot. Thank you to DPW Director Arthur Genualdo who engaged Town Engineer Steve Keach to assist with developing a plan that exceeded expectations.

Town-wide Property Revaluation

The voters passed warrant article #8 for a town-wide property revaluation as mandated by the New Hampshire Dept. of Revenue Administration. Vision Appraisal Technology was contracted to conduct the revaluation with oversight conducted by Municipal Resources Inc. (MRI) The revaluation was completed at the beginning of November and will not be required to be completed again until 2012.

Ethics Policy

The Sandown Ethics Policy was passed by the voters on warrant article #6 and adopted by the town. As a requirement of the policy, the selectmen implemented an Ethics Awareness training for town employees and volunteers to promote compliance with the Ethics Policy by increased awareness of the level of standards expected while in the service of the town. Thanks to all of the members of the Ethics Task Force for the draft policy and to Task Force member Ed Sullivan who volunteered his time to conduct the trainings.

Purchasing Policy

The Town of Sandown purchasing policy was completed in 2008. The policy provides the best guarantee that tax money and public funds are spent in the most prudent fashion, as well as assuring the goods and services are acquired in a timely manner and at the best value. Thanks to Ted Winglass, the Dept. heads, and our office staff who contributed to this project.

Junkyard Ordinance

A warrant article for a junkyard ordinance was proposed and accepted by the voters to establish a municipal junkyard ordinance pursuant to RSA 236:111-129, which is independent of any zoning ordinance. This included the full text containing definitions, minimum area requirements, licensing, renewal of license, outdoor storage or used or dismantled items and materials and specific requirements for "Junkyards". Thanks to Nelson Rheame for driving this initiative.

GASB 34 Compliance

The town completed GASB34 compliance for infrastructure accounting and reporting as mandated by the Federal Government which will reflect positively on the town's bond rating. Thank you to our former Finance Director and resident Angie Sherwood for her focus and dedication in completing this project.

In 2009 the selectmen will continue to focus on the completion of existing projects and initiatives that were begun in 2008 such as:

Job Descriptions: A complete overhaul of employee job descriptions to set clear expectations for employee performance.

Proposed Recreation Building: Final review and acceptance of the proposed recreation building along with the creation of operational procedures.

Salary Matrix: The creation of a salary matrix to set salary guidelines and expectations for new and existing employees.

Audit Committee: Solicit volunteers to form an audit committee for the purpose of internal financial controls as part of auditing compliance as mandated under SAS112.

The town had some memorable "ups and downs" during the year. The economy went into a deep recession beginning in the late spring which affected our citizens in various ways. The town responded by assisting many residents with their urgent requests for basic necessities through the town welfare program. The inflationary rate soared in 2008 which increased the cost of appropriated expenditures and resulted in a budget freeze in the fourth quarter. Snow plowing was way up with record breaking snowfall taking place at the beginning of the year. Our highway department was ready and met the challenge. The unprecedented ice storm in December brought trees and utility lines down resulting in the loss of power all across town for an extended period of time. During this emergency we observed the "best" of our citizens, as friends, neighbors, and relatives reached out to each other to offer their assistance. Our sincere appreciation goes out to everyone from fire, police, highway, emergency management, the food pantry, and selectmen Brian Chevalier for their coordination efforts and assistance to our residents during this time.

Finally I would like to extend my personal appreciation to my peers on the board for their dedication and devotion to the citizens of our community. I am proud to serve beside you and am thankful for the mutual respect that we all share. A special thanks to selectmen Ted Winglass for his service on the board over the past 2 years. Thanks to our office staff, department heads, full and part time employees, volunteers, and all of the citizens who contributed so much to the town in 2008. With your encouragement and support we look forward to continued progress and success in 2009.

Best Regards,

Roger Barczak

Assessors Annual Report for 2008

The past year, 2008, marked the beginning of a Town wide State mandated revaluation of all property within the Town of Sandown. This evaluation should have been completed by September of 2007 as required by the Department of Revenue (DRA). On March 11, 2008, the Town voted to raise and appropriate \$165,000 to conduct a Town-wide revaluation of all property as required by the DRA. The Board of Selectmen selected Vision Technology (Vision) to perform the revaluation. This was completed in late fall of 2008. After the impact notices were received, property owners were given the opportunity to review the updated property cards. The values of each property are listed on the website <http://www.visionappraisal.com>, where they will remain for 1 year.

Some reasons for the increase in the assessed values are: the state mandated the property be assessed at 100% of market value as opposed to approximately 74% as in the past year, the equalization sales survey (the 2007 and 2008 tax year sales data are major contributing factors in causing the Town valuation to increase approximately 28%. Mr. Scott Marsh, the Town assessor from Municipal Recourses, Inc. (MRI) completed a separate analysis based on the Town's equalization data before and after the valuation update utilizing both the 2007 and 2008 tax year sales data, and in his opinion, the revaluation has had the desired impact of bringing assessments more in-line with the market while improving equity. An analysis of the DRA'S 2008 equalization sales survey indicate that the town will meet current assessing standard board guidelines regarding property assessments with an overall median assessment ratio of around 99%.

Property owners should also take note that as the State of New Hampshire Constitution requires that assessments be taken anew at least once every five years and the last revaluation of all properties in Town was completed in 2008.

BUDGET COMMITTEE

The Budget Committee season began with two former members having their term on the Committee expire.

The Committee retained three old members from the previous season. They were Sandra Graves, Brenda Copp, (Assistant Chairman) and myself. Three new members joined the Budget Committee. They were:

Carl Anderson, who ran and was elected to a three year term.

Edwin MacNeil, who filled a vacant position for one year and

Melinda Salomone-Abood who filled a seat that was vacant due to a resignation.

Our liason from the Board of Selectmen was Selectman, Roger Barczak. His intelligence and full grasp of matters pertaining to town government proved valuable to the Budget Committee. We were very happy to have him as our Selectman ex-officio.

Since our former recording secretary chose not to continue this year, the Committee advertised for a new secretary to perform these duties. After a two month search, three candidates came forward to be interviewed. Suzanne Reynolds was eventually chosen for the position. Sue proved to be an exceptional recording secretary and was often asked to record for the Board of Selectmen meetings.

Once again, as in the previous year, department budgets were reviewed first by the Board of Selectmen and then by the Budget Committee. This process worked well throughout the year.

The Budget Committee and the Board of Selectmen asked each department to limit their 2009 budget to 2.5% over the previous year. This goal was achieved by most departments.

On behalf of the Budget Committee we want to thank all department heads who came before us with their budget requests.

BUILDING / ELECTRICAL / HEALTH DEPARTMENT REPORT FOR 2008

The number of new housing starts in 2008 fell to a level of just about a third (1/3) of the 2007 level; from 30 in 2007 to just 11 in 2008. That represents just 20% of the 2001 to 2007 average of fifty(50) per year.

The total number of permits issued in 2008 was down about 12% from the 2007 level. Building activity during the last couple of months has slowed to almost nothing; the slowest since 1989.

The numbers of well, septic, plumbing, and other permits issued were also down, keeping pace with the building permits. Because of the sever ice storm and damage to services the number of permits for electrical work increased more than anticipated for the month of December. I was helped greatly by the assistance of Dean Sotirakopoulos during this hectic period.

This sever a down turn as a result of the nation wide housing financing crisis and market collapse this past fall will take some time to return to what has been considered a normal level of activity.

To the Voters of Sandown,

Thanks to the voters of Sandown, 2008 was a monumental year for our town and the Upper Exeter River Watershed. The acquisition of the 138 acre Minton property was a process that started over five years ago and culminated with a vote of over 60% of the voters approving the purchase and bonding of that land. While that vote was crucial to protecting wildlife habitat and water quality, it is was really just the start of the evolution of our town forests and the recreation it can bring to the citizen of Sandown.

Our new 225 acre Fremont Road Town Forest has turned out to be a great opportunity to meet new people and work with our different departments and groups. Our first opportunity was working with Colin Flinn of Boy Scout Troop 163, the Girl Scouts of the W.I.N.D.S Program, our Road Agent, Arthur Genuardo and many other volunteers in building the parking lot and kiosk. We also met a number of volunteers, hikers, Geocahers, hunters, and walkers exploring the property while laying out some of the new trails. The fall brought another opportunity when a number of groups came together to host our inaugural Fall Festival. While the weather didn't cooperate, we did end up with over a hundred people exploring the forest and learning from the different groups exhibiting at the festival, including Boy Scout Troop 268, the Sandown Garden Club, W.I.N.D.S, Department of Environmental Services, UNH Cooperative Extension, and finally, though weather didn't permit it, the Sandown Recreation Committee for sponsoring a hayride.

The festival culminated in the judging of Town Forest Photo Contest. With over 40 excellent entries, judging was a difficult task for our three judges, but in the end Daniele St.Piere came up the winner and her picture is on the cover of this report.

If you haven't had the opportunity to explore the town forest, each season brings its own treasures to find. With a pair of snowshoes or cross country skies, this time of year is excellent for scouting out animal tracks and enjoying the winter wonderland. Snowshoes can be rented at Eastern Mountain Sports if you would like to sample scenery. With spring around the corner, it will soon be time to break out the fishing poles and enjoy fishing the Exeter along its newly protected and accessible banks near Odell Rd.

The town forest will continue to evolve over the next few years as the trails, signage, and parking are improved. If you like meeting new people and enjoy the outdoors, the Conservation Commission would love some help making and implementing the future of the Town Forest.

Respectfully,

The Sandown Conservation Commission

FIRE DEPARTMENT

TOWN OF SANDOWN

PO BOX 1756, SANDOWN, N.H. 03873

The Sandown Fire Department is pleased to report that although the number of calls has increased to over 520, the structure fires and chimney fires remain the same.

Fortunately, this year the Fire Department did not need to purchase any new apparatus which therefore did not cause any additional tax burden to the taxpayers. Presently, almost all of our Fire and Rescue apparatus is up to date and in good working order.

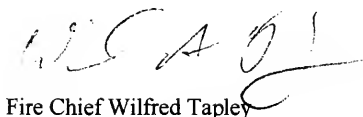

We are requiring the developer to provide water supply points for most of the larger developments and adequate forms of egress and this is working well, making fire support easier and at no added cost to the taxpayers.

We have more people joining the Volunteer Fire Department, so hopefully we get along without hiring any more full time employees for a while longer.

The new turnout gear from last years grant has been a great addition to this department upgrading a little under half of our firefighters. We will be on the lookout for any other grants to further upgrade our equipment.

Again, the town is very fortunate to have so many dedicated people willing to train and respond to all calls. This makes for a great department

Thank you for all your help and support.

Fire Chief Wilfred Tapley

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

Spring fire season lasted unusually long this past year, with very high fire danger stretching into the first week of June. Once again, the rains started to fall during the summer and the fire activity was fairly light for the remainder of the year. The acreage burned was less than that of 2007. The largest forest fire during the 2008 season burned approximately 54 acres on Rattlesnake Mountain in Rumney on White Mountain National Forest property. Another 39 acre fire occurred on Mount Major in Alton during the month of April. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2008 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

2008 Annual Report**

The 2008 year has been busy with tree work and patching of roads that were in dire need of repairs. We also replaced several culverts and installed some new guard rails.

This past summer with the help of the Town Engineer Steve Keach from Keach Nordstrom Associates a Road Improvement Plan was developed and is on the warrant for your passage. Passage of this plan will benefit the Town by saving our roads from further deterioration and saving the Town money by avoiding more costly repairs in the future. Your support is appreciated.

I would like to thank my boys for all their hard work – together we make a great team. I would also like to thank the subcontractors who plow for the Town – they all work very hard to keep our roads clear and safe.

2008 Sandown Planning Board Report

This has proved to be a year of change for the Planning Board. Ken Sweet assumed the post of Chairman when Fred Daley resigned in the spring. Ed Mencis became the Vice Chairman and Nelson Rheaume serves as the Selectmen's Representative. Marilyn Cormier, Donna Green and Fred Riley complete the Board's membership and Alternate Matt Russell has been filling in at every meeting due to the existing vacancy.

In July Administrative Assistant Kim Naimo resigned her position for personal reasons. Mrs. Naimo was an asset to the Board and she will be missed. Our new Administrative Assistant Bette Patterson has over twenty years of Planning Administration experience and has made the transition a smooth one.

Along with several small subdivisions, the board is currently working on the phased development known as Hersey Highlands. There are also some projects that are currently in the design review phase and it's anticipated that these projects will be worked on in 2009. 2008 also saw the approval of our first innovative subdivision under the Open Space Development Ordinance on Wells Village Road.

The Planning Board makes every effort to keep informed of legislative requirements by participating in the annual law lecture series and making use of the resources available through the Rockingham Planning Commission, Office of Energy and Planning, New Hampshire Municipal Association and many other state agencies.

The role of the Planning Board is to guide growth and development within Sandown. The board develops and implements the town's master plan, the document that sets out the town's overall growth objectives. The Planning Board has responsibility for the Zoning Ordinances, Subdivision Regulations, Site Plan Review Regulations, and Capital Improvement Plan for the Town. The Zoning Board of Adjustment provides the mechanism for property owners to seek relief from the zoning regulations. It is important to understand the different roles of the two bodies. Property owners some times express objections to a development at ZBA meetings when the objections would have been more effective at the time the Planning Board was reviewing the subdivision application..

Sandown residents are encouraged to volunteer to serve as alternate members of our Board. It's a great way to learn about planning and to help direct the future of our town. The Sandown Planning Board has been through a year of many changes, however, our service to the community has never wavered and we appreciate the opportunity to serve.

SANDOWN POLICE 2008 REPORT

I think we will all agree that we are not sorry to see 2008 end. Between the struggling economy issues, the tornado that affected so many people, some we know as family and friends and of course the ice storm, better times are needed.

We can report that during 2008 we dealt with an increased amount of Felony level offenses and arrests. One major incident was the Negligent Homicide of a young woman which involved a firearm. Other felony offenses and arrests involved Forgeries, First Degree Assaults, Possession of Narcotics, Possession of a Controlled Narcotic/Substance with Intent to Distribute, Burglaries, and Aggravated Driving While Intoxicated which involved an accident with severe injuries. Our calls for service totals are now well over 10, 000, to be exact, 14,486.

The Old Home Day activities went well and were enjoyed by all. The annual softball game between the Sandown Fire Department and the Sandown Police also took place during the Old Home Day weekend. Sandown Fire Department finally WON THE GAME. Congratulations to them, it was great fun. 2009's game promises to be very exiting.

The following officers were hired to fill vacancies in the department. Scott Wood as Patrol Sergeant and Officers' Adam White, William Pica and Stephen Winter. Unfortunately, over a five year time frame those officers who left moved on to larger departments

In 2007 a Warrant Article for the purpose of constructing a new police facility failed to pass and only by 3 votes, hopefully the warrant will pass this time. The problems we have experienced are many which include poor air quality, lack of space, and officer safety issues.

This years D.A.R.E. Program concluded at the Sandown Central School with a Graduation ceremony held for the fifth grade students on April 24th. This year's graduation was held at night. Sgt. Roy invited the Dover Youth to Youth Council to be guest speakers. Dover Youth to Youth is an afternoon drug prevention program for students of all ages coordinated by the Dover Police Department's Community Outreach Bureau. Members are students of all ages from various Dover area schools. They have created radio ads, made presentations for community awareness programs and have been responsible in Legislative Efforts at the Local and State level.

We hosted two separate training classes instructed by the N.H. Marine Patrol for residents and non-residents. The State of New Hampshire has mandated that all operators of any boats must complete the Boaters Education Course to receive a license to operate a boat on fresh or salt water. This license must be obtained prior to any operation of a boat this summer. Before you decide to go boating, remember, operating without a Boat License could quickly ruin a family vacation.

The Sandown Police Department has an on-going Explorer Program. For those of you who are not aware, this Program is a division of the Boy Scouts of America, designed for young

men and woman from the ages of 14 to 21 interested in a career in law enforcement. Towards the end of this year our member count has doubled. One of our Explorers', Molly Peake was awarded a \$1000.00 college scholarship by the Sandown Police Association. Molly will be attending college in the fall, majoring in Criminal Justice. The Explorer Program is not limited to only residents of Sandown, area youth can join us. If interested give Sgt. Wood a call at 887-1001 if you are interested.

My officers and I want to wish all of you a safe and healthy 2009.

*Thank you
Joseph Gordon

SANDOWN PUBLIC LIBRARY

305 Main Street • P.O. Box 580 • Sandown, N.H. 03873 • 887-8428

Not many people would argue that 2008 will be remembered as the year of change. So too at the Sandown Public Library, which experienced a change in leadership with the resignation of Library Director Diane Heer in May after six years of service. Returning as Library Director is Sandown resident Barbara Lachance, who served in this position from 1987 – 1994.

The Library Trustees and the staff under the direction of Assistant Director Cathy Hassard must be commended for continuing the great work of the library during the transition. During 2008, the library circulated 63,730 items (a 6% increase from 2007) and had almost 36,000 visits (or 900 visits per week). As soon as five new Internet workstations were installed in the re-designed Reference Room, the library experienced an 11% increase in computer use by our patrons.

The library sponsors many programs and activities throughout the year. The Calendar of Events on the website, www.sandownlibrary.us gives everyone a chance to view and sign up for our popular activities and museum passes. Ongoing events include a monthly book discussion group, chess club, knitting group, and children's story hours. The Summer Reading program, "G'Day for Reading" flourished under the direction of Children's Librarian JoAnn Pinard-Evans and Story Hour Coordinator Judy LaPorte with 308 participants and 3784 books read.

The library had a significant increase in interlibrary loan activity in 2008. ILL Coordinator Sue Kehoe borrowed 613 items from other libraries for our residents and loaned 881 items to other libraries. This was a 28% increase in borrowing materials and a 13% increase in loaning from 2007 usage.

Thank you to the Friends of the Library for their continued support of our library programs. The Friends purchased passes to the New England Aquarium, Museum of Science, and Butterfly Place, a portable cart, Summer Reading performers, and many adult audio books. They also sponsored the very popular Ice Cream Social to kick off the summer reading program.

As a community service project, Sandown resident and Timberlane senior Christopher LoBonte spearheaded the painting of the handrails along the library walkway. A special thank you to Chris and his crew, Sandown resident Ryan Angers and Atkinson resident Brett Lundy for all their hard work.

On a personal note, as a Sandown resident for 36 years I am honored to once again be serving my neighbors and friends as the Library Director. The library staff and I look forward to working with all of you in 2009.

Respectfully submitted,

Barbara Lachance, MLS

SANDOWN RECREATION COMMISSION PARKS AND RECREATION DEPARTMENT

The Sandown Recreation Commission was established by Town Meeting in 1980 per RSA 35:B. It is responsible for the oversight of the Parks and Recreation Department and executes the task of overseeing town owned recreation facilities such as Seeley Park and Beach and the Roy L. Miller Recreation Area. Combined, the two facilities offer approximately 13 acres of maintained areas including beach, baseball/softball fields, playground, basketball court, skate park and more. With the planned addition of a new recreation building and surrounding property, the Commission will be overseeing year-round facilities and approximately 20 acres of recreation area for town residents.

In addition to care of facilities, the Commission oversees recreational programming for residents of all ages. The Parks and Recreation Dept. continues to offer more programming each year. In the past year it has incorporated seasonal after-school programs that promote physical activity for children in Grades 1-5 as well as more school vacation activities. The Summer Recreation Program continues to grow by leaps and bounds with more families seeking the activities and value it offers to children entering Grades 1-8. Over the course of the past two years that program has grown by more than 75 percent. Program costs are offset by fees paid by those participating and the Recreation Commission is pleased to offer these programs with support from the community.

In addition to programming, the Commission also offers various other activities throughout the year. There are events geared towards the community at large, with some activities focused more towards our senior population such as the annual foliage trip and holiday bus trip. Training classes for students looking to become certified babysitters and adults looking to certify in First Aid and CPR have also been offered along with weekly adult volleyball. The ever-popular Red Sox trips always sell out quickly and residents enjoy taking advantage of discount tickets to places such as Canobie Lake Park that have been offered through the Parks and Rec Dept.

The Recreation Commission also oversees the employees of the Parks and Rec Dept which consists of a year-round director and a seasonal staff of 12 summer program staff members and 4 lifeguards during the past year. Seasonal staff members are utilized at other times of the year during after-school and school vacation activities.

Residents are encouraged to check-out Seeley Beach during the summer months. Lifeguard supervised swimming is offered 7 days a week. Please note that children age 12 and younger are not allowed at the beach without a parent or guardian. The water at the beach is tested throughout the season and the Commission is happy to report excellent water quality results throughout the 2008 swim season. The Parks and Recreation Dept. has the water tested for E-coli and Coli form levels only. The State of New Hampshire also tests the water at the beach approximately twice per swim season and sometimes more. The "No Feeding the Water Fowl" policy at the beach helps insure good water quality. Residents are reminded that smoking should be limited to the upper park area. Clean air quality and a beach area free of cigarette butts are high on the list for providing an enjoyable and safe environment for residents and employees alike.

The Recreation Commission is looking forward to the completion of the acceptance process for the new recreation facility by the Board of Selectmen. The 2008 Town Meeting voted to accept the facility and the Board of Selectmen has been working towards its acceptance. Once the facility is accepted the Recreation Commission will begin the work of outfitting the kitchen; office space and activity areas; and opening the building for public use.

The Recreation Commission would like to take this opportunity to extend its thanks and appreciation to longtime member and chairman Edward Mencis. His decision this past year to retire from the Commission has left big shoes to fill. “Ed” has been a friend to recreation and a member of the Commission for more than 15 years. His dedication to both recreation facility and programming has been the driving force behind many of the achievements of the Commission. His support and dedication to programming, particularly in the areas of children and seniors, has been outstanding. His tireless efforts to see improved and/or additional recreational facilities for the use of town residents should not go unnoticed. The town has benefited greatly from his willingness to do whatever was asked of him...whether it was to get out his tools to fix something that needed repair, lend a vehicle and manpower to move something around, or to stand behind a grill flipping hamburgers for children on a hot summer day, he was always willing to help with a smile. He has single handedly worked behind the scene, selling advertising and raising tens of thousands of dollars to help better the recreation facilities of our town for everyone to enjoy. Recreation Commission members and Parks and Recreation Dept. employees wish Ed the best of everything and look forward to his continued support of recreation in our community. He will be sorely missed.

As always a big thank you is owed to local businesses, individual residents and members of other departments who generously help throughout the year by donation, service or support. Without your help there are many things that simply could not happen.

If you would like to be considered for appointment to this very active group, please contact the recreation office at 887-1872 or any Commission member for information.

2008 Annual Report**

The 2008 year has been busy with a strong focus on bringing in money to the Town through recycling. Below are some totals:

Cardboard and Mixed paper	115 tons	\$ 4,700 in revenue
Scrap Metal	147 tons	\$18,000 in revenue
Electronics	4,943 lbs	\$ 4,779 in revenue

I want to say thanks to the townspeople for doing your part and recycling. Recycling brings in revenue to the Town and saves thousands of dollars of trash disposal fees.

Keep up the good work!

My other focus is to keep the Transfer Station very clean and presentable. Hopefully coming to the Transfer Station is friendlier and easier.

SELECTIONS OFFICE
SANDOWN, NH

Congratulations for being such active recyclers!

Below please find information on the positive impact this recycling has had on your environment.

The recyclable materials listed below were sent to market to be remanufactured into new products through your non-profit recycling cooperative, the Northeast Resource Recovery Association.

Recyclable Material	Amount Recycled In 2008	Environmental Impact! Here is <u>only one</u> benefit of using this recycled material rather than natural resources (raw materials) to manufacture new products.
Paper	93 tons	Saved 1,577 trees!
Scrap Metal	147 tons	Conserved 147,174 pounds of coal!

Dear NRRA Member,

As a member of Northeast Resource Recovery Association (NRRA), your community has access to all the services of this 28-year-old recycling cooperative. Your member-driven organization can provide you with:

- Up-to-date **Technical Assistance** in waste reduction and recycling;
- **Cooperative Marketing** to maximize pricing and **Cooperative Purchasing** to minimize costs (over 30 programs available);
- Current **Market Conditions** and Latest **Recycling Trends**;
- **Innovative Programs** (i.e. Dual Stream, Consolidation and Single Stream)
- **Educational and Networking Opportunities** through our Annual Recycling Conference & monthly Marketing meetings, website and quarterly newsletter;
- **School Recycling Club** - a program to assist schools to promote or advance their recycling efforts.

The membership has grown to include more than 350 municipalities, businesses and individuals in New Hampshire, Vermont, Massachusetts, Connecticut and Maine.

NRRA, as a non-profit organization, is unique in that we do not charge a "brokerage fee" or work to maximize profit gains, but rather has a minimal "Co-op" Fee" which is re-invested into programs to further your recycling programs and solid waste reduction efforts.

Through your continued support and dedication, NRRA has assisted our members to recycle over 68,100 tons in fiscal year 2007 - 2008!

In Fiscal Year 2007/2008 NRRA assisted its Members in recycling over 68,100 Tons!

In consideration of CLIENT making the Equipment available to RMG, RMG will release CLIENT from any and all liability, claims, and demands whatsoever, at law or in equity or under federal, state, foreign, or other law which RMG ever had, now has or which can, shall or may hereafter accrue for, upon or by reason of, arising out of or in conjunction with the transfer of Equipment between CLIENT and RMG.

Further, RMG will indemnify and hold CLIENT (and each of its subsidiaries, affiliates, and each of the officers, directors, and employees of CLIENT, collectively "Indemnified Parties") harmless from all claims and/or liability arising from the processing, disposal, recycling and/or sale of Equipment.

RMG UNDERSTANDS AND AGREES THAT CLIENT MAKES NO REPRESENTATIONS OR WARRANTIES, EITHER EXPRESS OR IMPLIED, WITH RESPECT TO THE EQUIPMENT, INCLUDING WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE, WITH RESPECT TO ANY OF THE EQUIPMENT. RMG FURTHER UNDERSTANDS AND AGREES THAT THE EQUIPMENT IS BEING PROVIDED TO RMG "AS IS" AND RMG EXPRESSLY AGREES THAT THE USE, SALE, RECYCLING, PROCESSING, AND DISPOSAL OF THE EQUIPMENT IS AT ITS SOLE RISK
